"Everybody has faith in each other in that room. Mike Evans goes down – he's a vet and you're like, 'OK, next man up.' Chris Godwin goes down once he gets back and you're like, 'OK, next man up.' The thing that I enjoy about this room, and this team, is the confidence and the trust they have in the next guy. I've never been a part of a team like that. [Other teams] I've played for when one guy goes down, it's like, 'Oh man, the season is over with,' because they always depend on that one guy. Here, it's just, 'All right, it's next man up, but we believe in you so go do your best and we're going to be behind you every step of the way.'" -Tez Johnson

SUSTAINED SUCCESS

- Dating back to the start of the 2021 season, Tampa Bay has held at least a share of the NFC South lead in 74 of the last 90 weeks, winning four consecutive NFC South division titles in that span (2021-24).
- The Buccaneers were the only NFC team to reach the playoffs in every season from 2020-24.
- 42 of 53 players on Tampa Bay's 2025 opening day roster were homegrown players, meaning 79.2% of the team's roster was either drafted by the Buccaneers or originally signed as undrafted free agents by Tampa Bay, which marked the highest percentage in the NFL according to Over the Cap.
